Sani-Tab[®] Chain-Free[®] Patient Towels

Eliminate the use of bib clips and chains!

Dental bib clips and chains have been shown to pick up dangerous microorganisms from skin, saliva and plaque, presenting a potential source of cross-contamination in the dental operator. Reduce the risk with Sani-Tab[®] Chain-Free[®] the only patient towel with patented adhesive tabs eliminating the need for bib chains and clips. Sani-Tab[®] maximizes infection control and patient comfort while saving time and money!

Horizontal Embossing

Crosstex Fold

Sani-Tab[®]

- Easy to use – simply position towel anywhere on the patient and apply pressure to the tab
- Bib stays where placed to maximize coverage, unlike bib clips and other disposable towel holders
- Can be placed high on patient to protect clothing
